TOWNSHIP

A 105-Acre Township Crafted for Modern Living

Krisala's landmark township in North Hinjawadi is where city life and resort living converge. Sprawling across 105 acres, it's designed for those who seek a balanced, mindful lifestyle surrounded by nature, open greens and world-class amenities. Built on the philosophy of sustainable design and this integrated township features landscaped parks and thoughtfully planned residential clusters that redefine community living. From wide internal roads to modern recreational infrastructure, every detail reflects comfort and consciousness.
